The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Law Department, *Bangalore.*

Establishment - Village Court - Halagur, Malavalli Taluk.

Sir,

I have the honour to state that the Deputy Commissioner, Mysore District, in his letter No.C.4-709/A.C. dated 20th May 1927 (Copy enclosed), recommends that the opening of a Village Court at Halagur is essential as the village is a Hobli Head-quarter and the largest village in the Taluk with a population of about 2500, having two dakhla villages in addition. Mahazars have been taken from the ryots of the 13 villages surrounding this village, of whom the inhabitants of 9 villages seem to have no objection for the opening of a Court at Halagur, whereas those of the remaining four villages wish to have Courts of their own. But the Deputy Commissioner is of opinion that a Village Court may be tried at Halagur first and that if the experiment proves successful, fresh Courts may be set up in other villages.

2. In these circumstances, I request that sanction may kindly be obtained for the establishment of a Village Court at Halagur with its jurisdiction extending over other villages which are within the radius of five miles. As stated by the Deputy Commissioner, Bogegowda may be appointed Chairman of the Court as recommended.

Letter No.C.4-709/A.C. dated 20th May 1927, from the Deputy Commissioner, Lysore District, to the Revenue Commissioner in Mysore.

Establishment - Village Court - Halagur, ~~xxxxx~~ Nalavalli Taluk.

In forwarding herewith the file of correspondence ending with French Rocks Sub Division Officer's Memo No.A.3-2010-26 dated 13th May 1927 in the matter of the establishment of a Village Court at Halagur in the Nalavalli Taluk, I have the honour to state that both the Amildar and the Sub Division Officer are of opinion that the opening of a Village Court at Halagur is essential as the village is a Hobli head quarter and the largest village in the Taluk with a population of about ~~2500~~ 2500 and has two dakhala villages.

2. Nahazars from the ryots of the villages noted in the margin which are within the radius of five miles have also been obtained. Out of these all the ryots except those of Hosepete Basavapura, Bydarahalli, Mittor, and Balavoi Kodihalli stated that they have no objection for the opening of a court at Halagur and their villages coming under its jurisdiction. But the ryots of the villages referred to above wished to have courts of their own. The Sub Division Officer in his report No.R.H.C.974/26-27 dated 23rd February 1924 states that during the Jamabandy of the Halagur Hobli, has ascertained whether more than one village court can be established. He is of opinion that it is undesirable to set up a number of courts at the very outset. He further states that the first Village Court may be tried at Halagur as it is the largest village and is centrally situated, with a union and that if the experiment proves successful, it may be extended and fresh courts set up in other villages.

Gowda, Patel of the village may be appointed Chairman of the Court is sent herewith for information.

4. Under the circumstances, I also recommend that sanction may be obtained for the establishment of a Village Munsiff Court at Hulagur with its jurisdiction extending over other villages which are within the radius of five miles as noted above. Bogegowda may be appointed chairman of the Court as recommended by the Sub Division Officer and Amildar.
